

March 11

Dear Timothy + Barbara —

Bob Clark just sent me some signatures
of ^(our) your books — they really are printing
it on newsprint! I like your
fore-words. Natural election! I love
it!

Carolyn + Keith + Eric~~ts~~ (Drepler) +
a couple of other people in Boston + I
are writing a book now — Reach for
the Stars — Hope we can find a
publisher! How is your agent doing
for you? The family here is fine.

Keith is in San Francisco or maybe
LA by now, business trip with
the oldest daughter, Gail — no, Gale.

Best wishes + congratulations. I
hope Game sells well and that
you'll be happy with it.

Love,
Arel
